

20 September 1982

MEMORANDUM FOR: Acting Director of Central Intelligence
FROM : SA/DCI/IA
SUBJECT : Proposed Agenda Items for Meeting with
Judge Clark, 22 September 1982

1. Walt and I have taken a first cut of putting together an agenda for your Wednesday afternoon meeting. We have come up with the following:

- Lebanon. You undoubtedly will want to discuss the results of tomorrow's election, assuming it comes off as planned, and the implications for this and other Mid-East events for the President's peace plan.
- West German. We may know by Wednesday the outcome of FDP-CDU efforts to forge a new coalition. You may wish to explore the implications for US policy.
- Results of NFIB. You may wish to report to Clark on the results of tomorrow's deliberations on the pipeline SNIE and the estimate on Pakistan nuclear weapons program.
- IIM on Soviet ABM Developments. Even though we have tentatively scheduled this IIM for NFIB review on 5 or 12 October, Larry reports that there is an outside chance that it could be completed by 30 September if we wish to post-pone the 28 September NFIB meeting. Meanwhile, Larry has some thoughts about a possible follow on SNIE.

2. Meanwhile, Walt is exploring when would be the appropriate time to schedule a briefing for Clark and McFarlane on Central America. You may want to attend that briefing if it is scheduled before the Director returns. I will let you know if Walt comes up with a firm date prior to your meeting.
